RE: Notice of Violation and Cessation Order, DJN Rockwalls, Unpermitted
Operations in Utah County, Utah

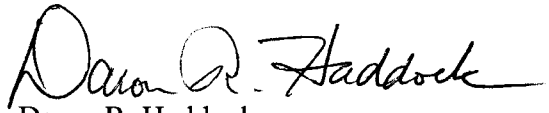

Dear Mr. Nay;

Division representatives recently inspected the site of your mining operations south of Elberta, Utah. They found violations of the Utah Mined Land Reclamation Act and associated rules. As a result, the enclosed Notice of Violation and Cessation Order were posted at the site on June 23, 2006 and you were considered to be served at that time. Copies of the orders were subsequently mailed to you but were returned due to an incorrect address. The information has now been corrected (see the attached modification) and we are again sending the orders to you.

Please review the orders and pay particular attention to the abatement requirements. Failure to comply with the requirements could lead to further enforcement action.

If you have any questions regarding these actions, please contact me at (801) 538-5325 or Lynn Kunzler at (801) 538-5310.

Sincerely,

Daron R. Haddock
Permit Supervisor
